

Before Selling Your Home Consult with Home Staging by Julie

Walk-Through Consultation

Let's do a tour of your home and discuss an action plan outlining how to make your home buyer-ready!

This tour includes:

- Walk through your home
- Assess the space
- Take measurements
- Furniture Placement
- Decluttering
- Painting
- Home Repairs
- Accessorizing

Walk-Through + Written Evaluation Report

- Same services as above.
- Written Report

We begin with curb appeal and address the issues in your home to create the best first impression possible. After the walk-through, we prioritize and put an action plan together to get your home ready to list.

Is your schedule too busy or you just don't want the hassle of Staging your own property? Consider hiring us to help you get that SOLD sign on your lawn!

We do as little or as much as you want using your existing furnishings and accessories, staying within your budget. If necessary, we can also provide, the perfect rental furniture and accessories to complement the new look of your home.

Currently, 95% of home owners that invest in 'Staging' sell in 11 days or less, compared to 90 days on average for the non-professionally staged home.
