

# Home downsizing doesn't have to be a stressful experience

## WHAT WE CAN DO TO HELP

- Pack and unpack your treasures with care
- Help choose what furniture and possessions will fit in your new place
- Assist with sorting, organizing, and final cleanup
- Contact appraisers, auctioneers, consignment shops, and eBay specialists
- Arrange for the donation or disposal of unwanted items
- Coordinate minor home repairs and yard cleanup
- Prepare your home for sale
- Help you get settled in your new home

**Downsizing a home can be an overwhelming life change.** We recognize that moving to a new place, modifying a home, or simply sorting through a lifetime of belongings can be a monumental and often traumatic task. We work closely with you and your family to eliminate the stress and frustration of downsizing.

Please call Home Staging by Julie at 978-249-8550 to discuss how we can help you make this important transition easier.
